Azotel-BriskNet...  
extending broadband reach in the West

**You are invited to the launch of Azotel-BriskNet...  
extending broadband reach in the West.**

**Azotel-BriskNet** together with hosting365, Motorola, e-Net and a special financing scheme from Bank of Ireland, has combined a synergy of technology and experience to bring high speed, reliable broadband to the west of Ireland.

Using the latest in wireless communication technology, **Azotel-BriskNet**, a Wireless Internet Service Provider (WISP), now offers a cost effective and class leading broadband service in rural Ireland to residents, businesses and local government throughout Roscommon, Galway and Mayo counties.

**DATE:** Friday November 10th 2006  
**VENUE:** The Abbey Hotel, Roscommon

Tea/Coffee will be served on registration at 6.30pm. The session will begin at 7pm followed by canapés and a drinks reception.

**RSVP:** Jamie Good at 01 660 7395 or [Jamie@hpr.ie](mailto:Jamie@hpr.ie)
