

The background is a dark, abstract composition. It features several bright blue, horizontal light streaks that appear to be moving or glowing. On the left side, there is a faint, blue grid pattern that recedes into the distance. A large, bright white light source is visible on the right, creating a strong lens flare effect. The overall color palette is dominated by deep blues and blacks, with the bright blue and white light elements providing contrast.

invitation

The solution to Ireland's regional broadband problems has arrived!

You are invited to the launch of **Azotel** – extending broadband reach in Ireland.

In partnership with **Azotel** and Motorola, hosting 365 has put together a suite of services that enables Wireless Internet Service Providers (WISP's) to extend broadband reach throughout Ireland. Encompassing transit, monitoring, support, billing, hardware, training and consultancy - the **Azotel** broadband solution enables WISP's to deliver viable, profitable and class-leading regional and metropolitan broadband services. Bank of Ireland will provide a special financing scheme for WISP's.
