

**Azotel SIMPLer at WISPAPALOOZA**

John O'Hare , CEO of Azotel, will be joining Scott Alerding, Director of Distribution for Solutions4ebiz in discussing how SIMPLer can automate your business, improve your bottom line and to share some best practices from around the globe.

**Booth 300 at WISPAPALOOZA  
October 13th - 17th, 2014**

With deployments in excess of 110 operators across 22 countries, Azotel's SIMPLer platform sets the global standard for automation of Wireless ISPs.

- Incorporate Best Practices from around the globe in to your Business
- Active Billing Technology
- Customer Portal
- Ticketing, dispatch, auto-provisioning and more
- Global Professional team to support you!
- Built in monitoring and alerting for your network equipment
- Integrate directly with RADIUS/AAA or use our Appliances

Everything you have come to expect from a complete management system and Global TEAM!

**SIMPLer Tips**

Try out [mySIMPLer](#), our new feature for generating payment vouchers. Create vouchers in SIMPLer to be used as payment by your customers. Check it out [here!](#)

Check out our new [side bar](#) on the SIMPLer subscriber record. Key information about your customer is now available in one click from anywhere on the subscriber record!

Have you seen our enhancements to customer [grouping](#)? Now you can define your default group behaviour in one click! See [here](#) for the latest updates.

**Don't Miss us, but in case you did...**

We will be attending AfricaCom in Cape Town, November 11th - 13th.

Alternatively, you can register for a live webinar and demonstration of the SIMPLer platform below:
