

**Azotel SIMPLer at WISPAPALOOZA**

John O'Hare, Azotel (CEO), will be joining Michael Sheward, Solutions4ebiz (CTO) in discussing how SIMPLer can automate your business, improve your bottom line and to share some best practices from around the globe.

**Booth 442-444  
WISPAPALOOZA  
October 10th - 17th, 2015**

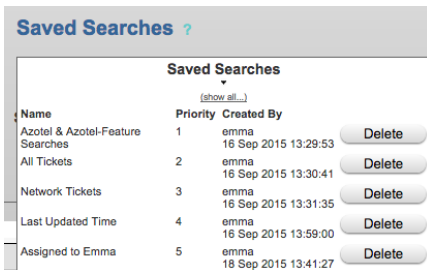

With deployments in excess of 160 networks across 22 countries, Azotel's SIMPLer platform sets the global standard for automation of Wireless ISPs:

- Incorporate Best Practices from around the globe in to your Business
- Active Billing Technology
- Customer Portal
- Ticketing, dispatch, auto-provisioning and much more
- Global Professional team to support you
- Built in monitoring and alerting for your network equipment
- Integrate directly with RADIUS/AAA or use our in-line WIB Appliances

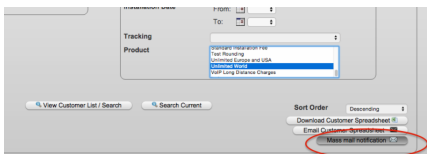

Everything you have come to expect from a complete management system and Global Development and Support TEAM!

**SIMPLer Tips**

Try out our new **saved searches** option on the maintenance tab in SIMPLer. Save your commonly used searches and reach them again in one click. For more, see [here!](#)

Did you know that you can send mass email to customers based on a selection made from the customers tab? For more information see [here!](#)
